Employee Membership/Retirees

This is for a company that joins and would like additional individuals within the company to have certain rights, receive information directly, and participate on the Board of Directors and Committees. Often utilized by companies with multiple owners, family members within the company or additional management and/or managers. Any former pest professional who is retired but would still like to be active in helping the industry can also join at this rate.

Individual Membership

This is for a registered technician or applicator in a company, whose company is not a member. This cannot be used in place of an active membership, if you are the business license holder. It does provide all the benefits of membership.

Student Membership

A student membership is a student regularly enrolled in an institution of higher learning, majoring in or studying biological or agricultural sciences. A student member may not hold a DPR license. Student members receive all active benefits except: right to vote or holding office in the association.
